

THE HORSE ~ NAME, PEDIGREE, SHOW/PERFORMANCE RECORD:

Maestoso II Precocia I, "Kosha"; 1993 Stallion, is a superb example of Lipizzan temperament, conformation, and expressive movement. Kosha's excellent bloodlines include M. VII Betalka & M. Brezova, Piber, and M. Amata II, Raflyn Farm. He also carries Pluto blood through P. Bona II, Raflyn, P. Ancona, and P. VI Theodorosta I, Piber. Col. Podhasky is shown riding Kosha's great grandsire, Pluto VI Theodorosta I in his book "My Horses, My Teachers". The two horses could be twins! A rescue, who spent his first 12 years in a small stall, Kosha has shown his superb temperament, demonstrating kindness and sensitivity while being ridden for the first time ever just this past summer. Kosha has tremendous power and elasticity. He shows off for his herd with passage, deep levades, and even caprioles!
