PROGENY:

**A rave from Roberta Steuerlein, the current owner of his first-born son:
I am lucky enough to have one of [Pluto III Canada's] offspring – Pluto Elena. . . .
he is wonderfully sweet and LAID BACK - He has lovely gaits - an incredible
relaxed true 4 beat walk with a huge over-stride, a floaty forward trot, a natural
passage, and a balanced canter on both leads. . . I haven't ridden him yet, but I do
ground work with a saddle and bridle - I throw the saddle on him like he was an old
dead broke horse. He ignores large farm equipment, sheep, cattle, etc. . .
I cannot say enough about his smarts and temperament. And his lovely "wow"
gaits. And such a personality!! God has blessed me!
Another rave from Tina Evans, owner of the 2007 filly 'Mora' (out of a QH mare)
She's doing great- and is just lovely- moves so pretty. . . I would like to do this cross
again.**
