STALLION LESSEE - a **LEASE AGREEMENT** signed by the stallion owner of record must be attached to the **STALLION REPORT**.

MARE LESSEE - a **LEASE AGREEMENT** signed by the mare owner of record must be attached to the **REGISTRATION APPLICATION** of resulting foal.

Once Stallion Information is completed, all forms are to be sent with transported semen for completion by mare owner/lessee.

By signing this certificate, I verify that semen from the stallion listed above was shipped to the mare listed on this certificate.

By signing this certificate, I verify that the inseminated mare is the one listed above and there was no unauthorized (by stallion owner) or undocumented (with USLR) use of the semen.

Stallion Owner/Lessee Signature

Mare Owner/Lessee Signature

FINAL COPY DISTRIBUTION:

Two copies returned to stallion owner/lessee after completion by mare owner/lessee. One copy must be attached to stallion report.
Two additional copies retained by mare owner/lessee. One copy must be attached to REGISTRATION APPLICATION of resulting foal.
